IRS Launches New Electronic Filing System for Small Tax-Exempt Organizations

The IRS launched a new free electronic filing system to enable small tax-exempt organizations to file Form 990-N, *Electronic Notice (e-Postcard) for Tax-Exempt Organizations Not Required To File Form 990 or 990-EZ.*

The new electronic filing requirement, a provision of the Pension Protection Act (PPA) of 2006, applies to organizations not required to file Forms 990 or 990-EZ because their gross receipts are normally $25,000 or less. Form 990-N can only be filed electronically; there will not be a paper version of the form.

How to Use

Filers will access and register to use the electronic filing system through the IRS Web site, IRS.gov *(http://www.IRS.gov.* After registering as a user and creating a Login and Password, the filer will receive an e-mail with a link that will allow the filer to activate their Login ID and create the e-Postcard. Organizations will need the following items of information in order to file:

- EIN
- Tax year
- Legal name
- Mailing address
- Any other names used
- Web address if one exists
- Name and address of a principal officer
- Confirmation that the organization's annual gross receipts are normally $25,000 or less

Some of this information will be pre-populated on the Form 990-N from IRS records.

The e-Postcard filing system will allow organizations to notify the IRS that they are no longer in business and have terminated their existence. Exempt Organizations who fail to file Form 990-N for three consecutive years will have their tax-exempt status revoked as of the filing due date of the third year.

The IRS also created a system to provide for the public disclosure of the filings either on-line or by downloading the files. The disclosure site will have enhanced search capabilities allowing the public to search by EIN, name, or location. IRS

A New Look for MSER

The Office of Management and Budget has recently approved a fresh new look for the Multi-state Employer Registration (MSER) form.

The MSER form is used by employers who have employees in two or more states but wish to report all their new hires to one state. As a requirement of the Personal Responsibility Work Opportunity Reconciliation Act (PRWORA) of 1996, multi-state employers wishing to report their new hires to one state must notify the Department of Health and Human Services (HHS) via the on-line registration process or by mailing or faxing the completed hard copy form to the address provided on the form.

Much like the form that expired April 30, 2007, the revised form provides employers with a quick, convenient, user-friendly way to notify the Department of Health and Human Services of their choice to report to one state. The enhanced on-line registration process makes navigating through the various fields much easier and faster.

Employers may also use either the on-line registration process or the hard copy form to update their information. Updates to information may include notifying the Department that they are no longer a multi-state employer, adding or deleting subsidiary information, changing their password or updating their contact information.

If you need assistance in completing the form, call the Multi-state Employer Registry Help Desk at 410-277-9470 (8:00 a.m.– 5:00 p.m. ET) or email MSEdb@acf.hhs.gov.

QETP Initiative continued from page 1

IRS executives announced the agreements during a Nov. 6, 2007 press conference which speakers and representatives from U.S. DOL, NASWA, FTA, and several participating states attended. IRS press release IR-2007-184 has more information about the agreements and comments from some participating agencies.

In addition to coordinating compliance activities, the agreements call for collaborative outreach and education activities designed to help businesses understand their employment and unemployment tax responsibilities.

All of the parties working together on QETP hope that the collaborative efforts the partners are taking will help level the playing field for business by reducing the unfair advantage businesses who do not meet all their employment tax obligations have over business that do meet all of their obligations.
